

Klas Eric Söderquist

Associate Professor

Department of Management Science and Technology, School of Business,
Athens University of Economics and Business

Evelpidon 47A & Lefkados, 11362 Athens, Greece

soderq@aueb.gr

PERSONAL INFORMATION

- Born 1966 in Botkyrka, Stockholm, Sweden, Swedish Citizen
- Swedish Military Service Completed 1986-87
- Married, one child, born 1997.

EDUCATIONAL BACKGROUND

- 1998: **Doctorate of Business Administration**, Brunel University, United Kingdom, in collaboration with Grenoble Ecole de Management (GEM), France and Henley Management College, UK. Title of Dissertation: "Inside the Tier Model: Product Development Organisation and Strategies in Automotive Expert Supplier Firms".
- 1987-1992: **Bachelor and Master of Science in Mechanical Engineering with specialization in Industrial Engineering and Management**, Royal Institute of Technology (KTH), Stockholm, Sweden. MSc Project on Activity Based Costing executed for Sandvik Hard Materials, France.

POSITIONS HELD

- 2008-: Associate Professor with Tenure, Dept. of Management Science and Technology, Athens University of Economics and Business (AUEB). Courses taught: Innovation Management and Creativity, Entrepreneurship & Business Planning, Knowledge Management, Product Design & Development, Business Ethics, Production & Operation Management, Total Quality Management (Graduate and Undergraduate Programs).
- 2012-13: Sabbatical Year from AUEB spent at the Higher Colleges of Technology, Dubai, UAE. Courses taught: Operations Management, Industry Project, Project Management, Performance Management, Introduction to HRM. Seminars for faculty on Qualitative Research Methodology.
- 2004-2008: Assistant Professor, Dept. of Management Science and Technology, Athens University of Economics and Business (AUEB). Courses taught: Innovation Management and Creativity, Entrepreneurship, Knowledge Management, Production and Operation Management, Total Quality Management (Graduate and Undergraduate Programs).
- 2000-2004: Visiting Associate Professor, Graduate Program in Decision Sciences, AUEB. Courses taught: Production and Operation Management, Innovation Management and Creativity, and Total Quality Management (Full Time and Executive students).
- 2000-2003: Senior Teaching Fellow, Grenoble Ecole de Management (GEM), France. Courses taught: Operation Strategy (MBA and Master in International Business, French Grande Ecole Program).

1996-2000: Assistant Professor of Operations and Quality Management, Grenoble Ecole de Management (GEM), France. Courses taught: Operations Strategy (MBA), Production and Operations Management, Quality Management and Introduction to Technology Management (French Grande Ecole Program).

1993 - 1995: Teaching and Research Assistant, GEM, France. Courses taught: Operations and Quality Management (undergraduate level).

AWARDS AND RECOGNITIONS

- Award for High Teaching Performance 2003-2004, 2014-2015, 2015-16, Department of Management Science and Technology, AUEB.
- Award for Teaching Excellence 2013-14, MBA International, AUEB.
- AMBA 2013 Innovation Award, to the MBA International Program of AUEB. As Head of Academics, I am part of the team of faculty and alumni introducing the "E-Skills" curriculum for which the program was awarded.
- The title "Highly Commended Paper" of the Emerald Literati Network Awards for Excellence 2008 was awarded to the paper Brachos, D., Kostopoulos, K. Soderquist, K.E. & Prastacos, G.P. "Knowledge Effectiveness, Social Context and Innovation" *Journal of Knowledge Management*, 11(5): 31-44, 2007.
- Supervisor of award winning PhD Thesis by Dr Dimitris Brachos. The PhD dissertation entitled "Knowledge Sharing within Organizational Units: The Role of Knowledge Sharing Context, Process and Knowledge Sharing Effectiveness in Unit Performance. An Empirical Study" received the 2008 "Highly Commended Award for Doctoral Research" in the area of Knowledge Management by Emerald and EFMD.
- Award for Excellent Contribution to the MBA International Program, AUEB, 2004-2005. Award received for the contribution to the first AMBA Accreditation of the program.
- Award for Teaching Excellence 2000 and 2002, Graduate Program in Decision Sciences, AUEB.
- Elected Teacher of the Year 1999, Grenoble Ecole de Management, France.
- Supervisor of 1st Prize Award Winning Field Study Projects 2004, 2009 and 2010, MBA International Program, AUEB.

ACADEMIC CITATIONS

Over 300 citations in ISI (excluding self citations). Over 550 citations in Scopus. Over 1.100 citations in Research Gate. Over 1.800 citations in Google Scholar.

ADMINISTRATIVE RESPONSIBILITIES

- 2015 Accreditation Manager for the AMBA accreditation of the Executive MBA Program of AUEB.
- 2014 Accreditation Manager for the AMBA re-accreditation of the MBA International Program, AUEB. Supervision of the accreditation process, data analysis and communication with the accreditation body. Re-accreditation was successfully obtained in November 2014.
- 2011-12 Director of the Management Science Laboratory (MSL), AUEB, a leading ISO 9001 certified laboratory in Greece and internationally. Since its foundation in 2000 MSL has attracted important public and private funding and supported over 30 doctoral candidates and graduated PhDs. Organized in four research units, InnKnow, OPeR, FRC and ORDeS, the researchers associated to the lab have made important contributions in the areas of Innovation and Knowledge Management, R&D Policy, Operations Management, ERP Systems and Process Management, Financial Engineering, Risk Management, Environmental Finance, Operations Modelling, Vehicle Routing, and Logistics Optimization.
- 2002- Head of the Innovation and Knowledge Management Center of MSL, AUEB. Organization, supervision and execution of funded research projects. Animation of a group of researchers and supervision of PhD candidates.
- 2007- Head of Academic Affairs of the MBA International Program, AUEB. Responsible for curriculum development, quality and certification (AMBA certified since 2004), program structure and planning, and student affairs. With a Full Time and Executive track and an intake of approximately 100 student per year, the MBA International is the no 1 MBA Program in Greece, with excellent placement results both in Greece and internationally.

- 2008- Faculty Relay for Corporate Social Responsibility at the MBA International Program, AUEB. This involves relaying with the United Nations Global Compact and editing the yearly Communication on Progress Report on CSR required by the Global Compact.
- 2005- Member of the ERASMUS Committee Dept. of Management Science and Technology, AUEB. Academic supervision of outgoing students on selection of universities and study programs.
- 2004- Advisor in the DBA Program, Grenoble Ecole de Management. Advisor to doctoral students. Seminars on Research Philosophy and Qualitative Research Methodology.
- 2002- Head of the Entrepreneurship and Innovation Major of the MBA International, AUEB. Responsible for curriculum development, faculty recruitment and specific activities related to the specialisation such as seminars and development of pedagogical resources. Teaching and coaching of students receiving the MSD (Merck Sharp & Dohme) Scholarship of the Major.
- 2002- Member of the Program Steering Committee, MBA International AUEB.
- 2000- Responsible of the Field Study Program of the MBA International, AUEB (over 250 projects realized since 2000). Responsible for corporate contacts, project definitions execution. Supervisor of Field Study Projects in my areas of expertise.
- 1998-2000: Member of the Research Evaluation Committee at the Grenoble Ecole de Management. Evaluation of faculty research output, allocation of time and cost budget for research projects.
- 1996-2000: Responsible for the course programs in Operation Management and Quality Management at the Grenoble Ecole de Management. Development of course programs, recruitment of lecturers and coordination of the course offerings in executive programs, graduate and undergraduate studies.
- 1996-1998: Member of the Steering Committee for ISO 9001 certification at the GEM.

FUNDED PROJECTS AND STUDIES

- 2015- "SoFE - Social & Sustainable Fashion Entrepreneurs", Development and implementation of an experimental pedagogical plan for the training of future fashion entrepreneurs and professionals, targeting mostly young unemployed prospective fashion entrepreneurs as well as early stage existing fashion entrepreneurs. IKY and Erasmus+ Project. Partners include Brunel University, UK, Wageningen University, Netherlands and Spoleczna Akademia Nauk, Poland. Total Budget: 298.000 Euros. Application as AUEB Research Center.
- 2014- "OI-Net - The Open Innovation Network", Development of training material and pedagogical approaches in Open Innovation, European Union Project Lifelong Learning Programme. 52 European Partners. Main Applicant: Lappeenranta University of Technology, Finland. Total Budget: 865.000 Euros. Application as AUEB Research Center.
- 2012-13: "Strategic Decision-Making, Innovation and Learning", AUEB, DMST Research Fund. Development of an observatory of innovative companies in Greece during the crisis. Development of cases and pedagogical material. Budget: 40.000 Euros. Application as AUEB Research Center.
- 2011: "Green Profession", a study of green professions, current state, future developments and higher educational needs. Hellenic Ministry of Education. Budget: 4.000 Euros. Application as AUEB Research Center.
- 2010-13: "RTD Sectors - R&D Investments and Structural Changes in Sectors – Quantitative and Qualitative Analysis; Policy Recommendations", European Union Project DG Research. Partners: Intrasoft International (Main Applicant), TNO, Joanneum Research, Rand, Technalia. I was responsible for the qualitative expert-interview part of the project aiming at describing

- strategic technology trends in the evolution of industrial sectors. Total budget: 1.2 million Euros. Application as Individual Expert.
- 2009-12: "SERMANTEQ" – Strategic Development of Curricula and E-Learning in Technology Management, European Union Project TEMPUS Programme. Partners: Grenoble Ecole de Management (Main Applicant), PSUT Jordan, AHU Jordan, ENSIAS Morocco, LCU Lebanon, HEC Management School Belgium, and Birzeit University Palestine. Internal Evaluator of the project deliverables on mission of the Grenoble Ecole de Management, France. Total budget: 1.1 million Euros. Application as Individual Expert.
- 2006-08: "INNOVATION IMPACT - Analyzing and Evaluating the Impact on Innovation of Publicly-Funded R&D Programs", European Union Program - FP6 ENTR/04/96. Partners: Intrasoft International SA (Main Applicant), Luxemburg, ZEW, Germany, Joanneum Research, Austria, BETA, France, WISEGUYS, U.K., MERIT, Netherlands. In view of the preparation of the 7th Framework Programme for competitiveness and innovation, the project developed a methodology for the firm-level evaluation of Research and Technology Development Projects. Responsible for developing the qualitative research and analyzing the characteristics, management and outcomes of RTD projects in 70 case studies conducted throughout Europe. Total budget: 2.15 million Euros. Application as AUEB Research Center.
- 2007-09: "MATRI – Methodology for the Anticipation of Industrial Transformation", European Union Project, DG Employment, Social Affairs and Equal Opportunities. Partners: Grenoble Ecole de Management (Main Applicant), INP Grenoble, STMicroelectronics, Cap Gemini, Politecnico Di Torino, Fondazione ISTUD, Fraunhofer Institute, Henley Management College, AEPI, CEC, CFE-CGC. Internal Evaluator of the project deliverables on mission of the Grenoble Ecole de Management, France. The project analyzed technology development trajectories in the semiconductor and nanotechnology sectors. Total budget: 1.2 million Euros. Application as Individual Expert.
- 2006-07: "IST Evaluation and Monitoring", European Union Project - FP 6. Partners: Joanneum Research (Main Applicant), Austria, PREST, UK, IDTAE, France ZEW, Germany, and Advansis, Finland. The project developed a methodology leading to a simple, coherent and effective evaluation strategy of IST R&D proposals in view of re-formulating evaluation procedures and criteria for FP7. The evaluation methodology comprised priority setting and impact appraisal ex ante, monitoring of progress during project execution, and evaluation of results ex post. Involvement in all the stages of the project. Total budget: 195.000 Euros. Application as AUEB Research Center.
- 2004-06: "Development of Innovative HRM Approaches in the Maritime Sector", sponsored by the General Secretariat of Research and Technology, in partnership with Avin Oil Trader SA. This project designed an innovative skills- and competency management system applied in the shipping operations of Avin Oil Trader, and at developed suggestions concerning the way such a system will be strategically utilized as a knowledge and career management tool. Total budget: 804.400 Euros. Application as AUEB Research Center (Main Applicant).
- 2004-06: "Change Management and Entrepreneurial Change", funded by the General Secretariat of Research and Technology. Project aiming at identifying new organizational forms that enable new and young ventures to formulate strategies for successful development in rapidly changing and discontinuous business contexts. Total budget: 630.000 Euros. Application as AUEB Research Center (Main Applicant).
- 2004-06: "RESPOT – Research Potential in the Black Sea Countries, European Union Project. Partners: Joanneum Research Austria, the Turkish Academy of Science, the National Academy of Ukraine, and ICBSS - the International Center of Black Sea Studies (Main Applicant). I provided expertise in this project aiming at mapping the strategic research potential and R&D system in 12 countries, for the most effective exploitation of research results through collaboration among the countries in the region and with the EU. Total budget: 480.000 Euros. Application as AUEB Research Center.

- 2002-05: "MEDFORIST – Euro-Mediterranean Network for Developing Learning Resources" (Research Fellow), European Union Project (EUMEDIS, second strand). Partners: Grenoble Ecole de Management (Main Applicant), Helsinki University of Technology, Sheffield Business School, AUEB – Management Sciences Laboratory, and 12 Universities and Higher Educational Institutions in Mediterranean countries. Expert evaluator of project deliverables concerning the transfer of teaching material about Information and Communication Technologies to the Mediterranean countries (outside the EU and new member states). 624 contributions evaluated in 52 deliverables. Total budget: 2.9 million Euros. Application as AUEB Research Center.
- 1998-99: European Union Expert in the TACIS Program: Support to Higher Education in Economics to Moldavia. Presentation of state-of-the-art training contents, material and methods in the subject of Production and Operations Management. Comparison to Moldavian practice, needs analysis, proposition of pedagogical approaches and subject bibliography. Application as Individual Expert in a project managed by Grenoble Ecole de Management.
- 1998: Expert in United Nations Seminars about strategic business alliances to policy-makers and executives in the United Arab Emirates and Qatar. Application as Individual Expert.
- 1997-98: "Best Practices of Industrial Innovation", European Union Project, CEC DG III. Development of training material including an 80 page booklet on strategic innovation management in SMEs. Seminars based on the material were conducted in France, Germany, Italy, Spain and Sweden. Application as Groupe ESC Grenoble Centre Time.
- 1994-95: European Foundation for the Improvement of Living and Working Conditions, Dublin, Ireland. Development and evaluation of IT supported training material about team dynamics and best teamwork practices for improved innovation and quality performance. Project conducted in collaboration with Henley Management College, UK. Application as Individual Expert in a project managed by Henley Management College.

RESEARCH AND SCIENTIFIC ACTIVITIES

- 2016: Session Chair: Open Innovation and Human Resources, *3rd Annual World Open Innovation Conference*, 15-16 December, ESADE, Barcelona, Spain.

TRAINING AND ACADEMIC SUPERVISION

Executive Seminars

- 2015: Social Entrepreneurship, operations and innovation aspects, for Social Entrepreneurs developing new ventures, Centre for Continuous Education and Lifelong Learning, AUEB.
- 2011: Innovation and Creativity; lecturing and supervision of in-company projects (12 hours) for Managers at Systems Sunlight S.A. (www.systems-sunlight.com).
- 2009: Total Quality Management (30 hours) for the Center of Professional Training and Development, Greek Ministry of Employment.

Supervision of Undergraduate and Graduate Student Projects and Theses

- Supervisor of Masters and Bachelor Dissertations (Grenoble Ecole de Management).
- Supervisor of training internships at the Undergraduate level, Dept. of Management Science and Technology, AUEB.
- Supervisor of Masters Theses Executive MBA, AUEB.

Case Studies Developed

- *La Gestion par Activités*, implementation of Activity Based Costing.
- *Silicon*, optimisation of cost, quality, and lead-time in the production of integrated circuits.
- *Automates SA*, inventory management and production scheduling in an MRP environment.
- *FAGE SA*, Quality Management and Crisis Management.

Business Games

At the Grenoble Ecole de Management

- "Marketing Game": IT supported team simulation of marketing mix and marketing program strategies; "PigmaLyon": IT supported team simulation of financial planning and budgeting; "InnTech": IT supported team simulation of innovation strategy, product development market introduction of new products; "Réactic": Supply chain and inventory management simulation.

At Athens University of Economics and Business

- "The Beer Game": Supply chain and inventory management simulation game; "The Egg Game". Creativity and team work.

CONTRIBUTIONS TO SOCIETY

- Training Seminars in Process, Operations and Product management to social entrepreneurs in the Social Entrepreneurship Qualification Program offered by AUEB, 2015- .
- Training Seminars in Innovation and Product Design for Start-ups, The Egg and ACEin Incubators, Athens, Greece, 2014- .
- Training seminars in Entrepreneurship for unemployed science graduates, Technical Chamber of Greece (TEE), 2014.
- Academic Advisory Member of the Forum "Green and Innovative Entrepreneurship", Athens Chamber of Tradesmen (EEA) 2013-.
- Volunteer evaluator of business plans in business plan competitions (National Bank of Greece, and AUEB's e-nnovate competition), 2010, 2011, 2014- .

- Coordinator of the CSR program of AUEB, 2008-2012. Awarded for "Best CSR Practice in Higher Education" by the Annual Hellenic CEO and CSR Conference, June 2010.
- Training seminars in Quality Management for unemployed, AUEB Program 2009.
